

NATURE LOO CLASSIC™ 750

The Classic 750 is Australian Standards 1546.2 certified and is approved in every state in Australia. It is the most popular composting toilet on the market due to its size, sleek design and competitive price.

CLASSIC 750-3 PACKAGE INCLUDES:

- Modern fibreglass clean white hard wearing pedestal and matching seat (pictured).
- 3 x composting chambers (60 cm H x 60 cm W).
- Waste connecting chute (up to 70 cm in length as standard but additional lengths can be supplied).
- Ventilation system including a 2 x 2 watt 12 volt fan and transformer.
- Easy to follow DIY installation and maintenance manual.

Price: \$2,975 ex-Brisbane factory (incl. GST)
Capacity: 4 people on a permanent basis

CLASSIC 750-2 PACKAGE INCLUDES:

Includes all components of the Classic 750-3 but has two chambers. In cold climates we recommend the 3 package. However it is possible to start with two and add additional chambers later.

Price: \$2,650 ex-Brisbane factory (incl. GST)
Capacity: 2-3 on a permanent basis

All **Nature Loo Classics** come complete with everything required for installation except, for reasons of freight cost, the external vent pipe and absorption trench materials (for the excess liquid drain) which should be bought directly from your local hardware store for around \$150.

Note: Minimum height required to install the chamber beneath the bathroom floor is only 680mm

CLASSIC 750 OPTIONS:

- Add a NL-grey water system to manage your household waste water and receive an overall \$200 discount.
- Purchase a chamber trolley \$170.
